

Digital

Welcome to the Tapp Digital Business Center, your on-line resource for the Tapp Digital Offset printing program. If you are new to Tapp's Digital Offset printing program, take a tour through the center to see how the program can service your needs.

If you are familiar with Tapp's Digital Offset printing program, be sure to check out the time saving features and new functions of our program. New features include:

- on-line information request form for quick response
- time and money saving tips to design and set up your digital art files
- time saving order form and job check list
- No-charge house die program

NEW! Check out Tapp's video about HP Digital printing

Contact Travis Pollard at 707-252-8300 x11 or tpollard@tapptech.com for more information.
